* Results from an independent consumer study. Individual results may vary.

SODIUM HYALURONATE

is known to help attract moisture to the skin and increase hydration.

VITAMIN C (3-O ETHYL ASCORBIC ACID)

is a form of vitamin C known to help with collagen production and evening out skin tone.

PANTHENOL (VITAMIN B5)

is known to hydrate the skin with humectant properties.

ALOE LEAF EXTRACT

is an antioxidant known to help cool and condition for soft, hydrated skin.

REFRESHING BIOCELLULOSE MASK

ALLANTOIN

is known to help as a skin protectant and maintain skin hydration.

GLYCERIN

is a humectant known to help lock in moisture, relieve dryness, and refresh the skin's surface for softer, smoother skin.

OUR BIOCELLULOSE
MASKS ARE MADE FROM
FERMENTED COCONUT
WATER, WHICH HELPS
LOCK IN OUR
HYPER-HYDRATING
INGREDIENTS.

THIS DENSE,
BIODEGRADABLE, FIBROUS
MATERIAL ALSO ACTS LIKE
A BARRIER TO HELP BLOCK
EVAPORATION AS IT INFUSES
YOUR FACE WITH DEWY,
DELICIOUS INGREDIENTS FOR
15 MINUTES. UNMASK SOFTER,
SMOOTHER SKIN—AFTER
THE FIRST USE.

BIOCELLULOSE
MASK

APPLICATION

APPLY

Remove mask from packet and unfold carefully. Remove mesh lining from one side of mask and apply to clean, dry skin.

REMOVE LINING

Once mask is applied to skin, remove lining from other side and adjust mask to fit snugly onto face.

WAIT

Leave mask 10–15 minutes or until it begins to dry.

REMOVE

Remove mask, massage remaining product into skin, and follow with Younique skin care regimen.

WHO WILL LOVE IT?

- People who want products that reflect their aspirations for a healthy lifestyle and their ethical and environmental standards
- People who want products that are free from as much as possible (allergen-free, preservative-free, etc.) and are very ingredient-oriented (clean, vegan, good-for-you components)
- People who buy on social media

- People who don't get a lot of me time, but want to achieve results
- People who like makeup and understand that good skin care is the best foundation for that
- People who want non-invasive solutions for younger-looking skin

SECONDARY:

- Individuals of all ages looking for instant, deep hydration and refreshed, radiant skin in only 15 minutes.
